Explanation/description of suspicious activity. This section of the report is <u>critical</u>. The care with which it is completed <u>may determine whether or not the described activity and its possible criminal nature are clearly understood by investigators</u>. Provide a clear, complete and chronological description of the activity, including what is unusual, irregular or suspicious about the transaction(s). Use the checklist below, <u>as a guide</u>, as you prepare your description. The description should cover the material indicated in Parts I, II and III, but the money services business (MSB) should describe any other information that it believes is necessary to better enable investigators to understand the suspicious activity being reported.

- b. Explain whether the transaction(s) was completed or only attempted.
- c. Describe supporting documentation and retain such documentation for your file for five years.
- d. Indicate a time period, if it was a factor in the suspicious transaction(s), for example, specify the time and whether it occurred during AM or PM. If the activity covers more than one day, identify the time of day when such activity occurred most frequently.
- e. **Retain** any admission or explanation of the transaction(s) provided by the subject(s), or other persons. Indicate when and to whom it was given.
- f. **Retain** any evidence of cover-up or evidence of an attempt to deceive federal or state examiners, or others.

- Indicate for a foreign national any available information on subject's passport(s), visa(s), and/or identification card(s). Include date, country, city of issue, issuing authority, and nationality.
- j. Indicate whether any information has been excluded from this report; if so, state reasons.
- k. Indicate whether any U.S. or foreign instrument(s) were involved. If so, provide the amount, name of currency, and country of origin.

- Indicate whether any transfer of money to or from a foreign country, or any exchanges of a foreign currency were involved. If so, identify the currency, country, and sources and destinations of money.
- m. Indicate any additional account number(s), and any foreign bank(s) account numbers which may be involved in transfer of money.
- n. **Identify** any employee or other individual or entity (e.g., agent) suspected of improper involvement in the transaction(s).
- o. For issuers, indicate if the endorser of money order(s) and/or traveler's check(s) is different than payee. If so, provide the individual's name or entity name; bank's name, city, state and country; ABA routing number; endorser's bank account number; foreign non-bank name (if any); correspondent bank name and account number (if any); etc.
- p. For selling or paying locations, indicate if there is a video recording medium or surveillance photograph of the customer.
- q. For selling or paying locations, if you do not have a record of a government issued identification document, <u>describe</u> the type, issuer and number of any alternate identification that is available (e.g., for a credit card specify the name of the customer and credit card number.)
- r. For selling or paying locations, describe the subject(s) if you do not have the identifying information in Part I or if multiple individuals use the same identification. Use descriptors such as male, female, age, etc.
